

PACKAGE SIZES:

Art.-No. 372.232
10l canister

KLEEN ambiente 50 is a strong alkaline grease remover. It removes easily fat and organic soil and is standard for daily cleaning in food preparation areas. KLEEN ambiente 50 is perfect suitable for cleaning stainless steel surfaces.

- fatsolvent alkaline
- powerful cleaner for all fat - protein and oil contaminated surfaces of all kinds
- especially for cleaning fat-contaminated floors - working surfaces and exhaust hoods
- low foaming, suitable for machine use
- also for use in high pressure equipment

APPLICATION RANGE:

For fat solving and cleaning of all washable and alkali resistant surfaces and objects. Recommended for use in food processing companies, in large kitchens, cantines, butcheries and dairy farms - especially for cleaning strongly fat contaminated floor surfaces, working surfaces and exhaust hoods. Also for use in high pressure equipment.

INSTRUCTIONS FOR USE AND DOSAGE:

Recommended application concentration: 1 - 3% for daily cleaning, 10 % for alkaline base cleaning.

Manual: 50-100 ml per 8 L water. In case of strong soiling increase dosage. **High pressure:** 10-20 ml per 1 L water. Increase dosage if required.

If improperly applied - and for claims resulting from such improper handling - there will be no legal claims accepted.

TECHNICAL DATA:

Form: clear, green-yellow liquid
 Odour: fresh
 Viscosity: low
 Density: 1050 g/L
 pH-value in delivery state: 14

INGREDIENTS:

Below 5 %: non-ionic surfactants, phosphonates
 Contains: perfumes
 Giscode: GG 90
 Stability: at least 1 year in original containers
 The surfactants contained in this preparation comply with the biodegradability criteria as laid down in Regulation (EC) No. 648/2004 on detergents.

LABELLING:

	<p>Contains Sodium hydroxide, Potassium hydroxide Hazard statements: H314: Causes severe skin burns and eye damage.</p> <p>Precautionary statements: P102: Keep out of reach of children. P280: Wear protective gloves/eye protection. P305+351+338: IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. P303+361+353: IF ON SKIN (or hair): Remove immediately all contaminated clothing. Rinse skin with water. P301+330+331: IF SWALLOWED: rinse mouth. Do NOT induce vomiting. P310: Immediately call a POISON CENTER or doctor</p>
<p>Danger</p>	

TRANSPORT: UN-No.: 1814 / Official transport designation: Potassium hydroxide solution Class: 8 / Packing group: II / ADR / IDMG
